Hi Chuck,

In case I have not already given you the link to the Dewey-Burdock Class V permit application on the I drive, here it is:

\\C0808F03EC005\Shar3\30 Day Share\Valois\Dewey Burdock Permit Applications\UIC Class V Permit App

One of the Powertech comments refers to the figures in the permit application. The figure files are in the Figures folder of the "03\_29\_10 Dewey Burdock UIC Class V First Submittal" folder. I created a list of figures which tells you in which file a figure is located. The list of figures also indicates that 4 figures were replaced with updated figures in the updated (2012) permit application. The updated figure files are found in the folder "01\_11\_12 Dewey Burdock UIC Class V FINAL Revised"
